BCP Investment Corporation to Postpone Third Quarter 2026 Earnings Release and Conference Call

November 6, 2026

NEW YORK, Nov. 05, 2026 (GLOBE NEWSWIRE) -- BCP Investment Corporation (NASDAQ: BCIC) ("BCIC" or "the Company") today announced that it is postponing its Third Quarter 2026 financial results release and conference call, originally scheduled for November 5, 2026 and November 6, 2026, respectively.

The delay allows management additional time to finalize the financial disclosures, regulatory filings, and structural terms related to a potential strategic initiative. Management believes delaying the earnings release is prudent to ensure the market receives comprehensive information regarding both quarterly performance and the total financial impact of the potential strategic initiative simultaneously. There can be no assurance that these discussions will result in a definitive agreement or any transaction.

The delay is not related to any accounting, financial or regulatory matters.

The company intends to reschedule the earnings call and provide a comprehensive announcement in the coming days. A new date and time, along with dial-in and webcast registration details, will be issued via a separate press release as soon as practicable.
